

Year 1 Home Learning: Set Friday 3rd May
Return by Wednesday 8th May

We will be launching our summer term project with the children in week three after our trip to Noah's Ark Zoo Farm. The children are still yet to discover that our summer term project will be all about animals, habitats and life cycles. We would like the children to support the setting up of our new role-play areas, as this was so successful in the spring term. Please could you support your child in making something to add to our role-play areas. Please see below for your class role-play area themes –

Class 5 – 'Jungle Café'. Please could we ask for any donations or borrowing of jungle toy animals (snakes, monkeys, lions, tigers, lizards, frogs, spiders, birds, bears etc.) Your child could make a 'critter' menu in the style of 'I'm a Celebrity get me out of here' with weird and strange recipes and things to buy. Or they could make something to buy/ sell in the critter café such as 'bug pie', 'spider smoothie', 'slimy soup' etc. We will also need price lists, cooking utensils, aprons, chef hats etc.

Class 6 – 'The Zoo'. Please could we ask for any donations or borrowing of zoo toy animals (snakes, monkeys, lions, tigers, reptiles, birds, meercats, crocodiles, zebras etc.) Your child could make a 'zoo' café menu or price list for the customers at the zoo. Or they could make some pretend animal food for the different animals. Perhaps they would like to bring in some things for the animals grooming and feeding– such as brushes, combs, blankets, bowls, drinks bottles. We will also need zoo theme dressing up clothes etc.

We really look forward to seeing what your child will make to contribute to our fantastic role-play areas. Keep an eye out on twitter for the home learning entries!

Kind regards,

Year one team.
