

Year 3 Home Learning

Set: Friday 10th May 2019
Complete By: **Wednesday 15th May 2019**

Spelling

Please see the spelling list below. Children should know which spelling group they are in and which spellings they should be practising.

Children can practise learning the words by carefully rewriting them in their book 3 times (Look, Cover, Write, Check). The children can then use their words to create a mnemonic of their hardest spelling e.g.

Because – **B**ig **e**lephants **c**an **a**lways **u**nderstand **s**mall **e**lephants

Said – **S**illy **a**nt **i**s **d**ancing

Reading

Children should aim to read their Home Reading book 10/15 minutes every day. Many of the books have additional reading activities inside the front or back cover. Additionally, children are welcome to read: a book from home, a magazine, a newspaper or even a website such as Newsround.

Spring Into Wales

In the Spring term we have studied a wonderful array of topics for our project 'Spring Into Wales'. These have included: City of Tomorrow in Science; key events in the Stuart's period in History; Welsh Artists; and a wonderful range of welsh themed writing for the Eisteddfod.

For Home Learning we would like the children to use thinking hats to write about their favourite activities from our entire project 'Spring Into Wales'.

My favourite part of this project was... because...

I really enjoyed

If I could do this project again I would like to...

Maths

For maths home learning this week we would like the children to discuss and complete the questions below.
