

# Year 3 Home Learning

Set: Friday 7<sup>th</sup> September 2018

Complete By: Wednesday 12<sup>th</sup> September 2018

This week the children have completed their Home Learning in class. Children have practised with their class teacher how to present and layout their Home Learning. The expectation is for the pupils to follow the same format each week that has been modelled in their books.

Please be aware that all Home Learning is now available on the school website. Next week, the pupils will begin completing their Home Learning at home.

## Spelling

Please see the spelling list below. Children should know which spelling group they are in and which spellings they should be practising.

Children can practise learning the words by carefully rewriting them in their book 3 times (Look, Cover, Write, Check). The children can then use their words to create a mnemonic of their hardest spelling e.g.

Because – **B**ig elephants **c**an **a**lways **u**nderstand **s**mall **e**lephants

Said – **S**illy **a**nt **i**s **d**ancing

Sun	Moon	Stars	Universe
<b>ad/ag</b>	<b>-ck</b>	<b>-sh</b>	<b>Double letter</b>

## Reading

Children should aim to read their Home Reading book 10/15 minutes every day. Many of the books have additional reading activities inside the front or back cover. Additionally, children are welcome to read: a book from home, a magazine, a newspaper or even a website such as Newsround.

# Eco Council & School Council Elections

This week in assembly the children have learnt about the important work Eco Council and School Council do at Gaer Primary School. Representatives for Eco and School Council are elected by the pupils. We would like to encourage all children in Year 3 to think about representing their class on Eco or School council.

For Home Learning we would like the children to write 3 to 5 reasons why they would make a great School or Eco council representative.

**I would be a good representative because I am...**
