

Class 9 Home Learning

Set: Friday 12th October 2018
Complete By: Wednesday 17th October 2018

Spelling

Please see the spelling list below. Children should know which spelling group they are in and which spellings they should be practising.

Children can practise learning the words by carefully rewriting them in their book 3 times (Look, Cover, Write, Check). The children can then use their words to create a mnemonic of their hardest spelling e.g.

Because – **B**ig **e**lephants **c**an **a**lways **u**nderstand **s**mall **e**lephants
Said – **S**illy **a**nt **i**s **d**ancing

Reading

Children should aim to read their Home Reading book 10/15 minutes every day. Many of the books have additional reading activities inside the front or back cover. Additionally, children are welcome to read: a book from home, a magazine, a newspaper or even a website such as Newsround.

Harvest

In Class 9 we have been learning the poem 'Autumn is here' for our Harvest festival on Monday. Please could you take some time to encourage your child to practice this poem. (They brought a copy home yesterday.) Maybe they could also show you our actions!

Maths

In our maths lessons this week we have been exploring 'number families' and inverse operations. For home learning this week we would like the children to use these 'number families' to write the inverse operations. One has been done as an example.

$$2 \times 10 = 20$$

$$10 \times 2 = 20$$

$$20 \div 2 = 10$$

$$20 \div 10 = 2$$
