

Year 3 Home Learning

Set: Friday 19th October 2018
Complete By: Wednesday 24th October 2018

Spelling

Please see the spelling list below. Children should know which spelling group they are in and which spellings they should be practising.

Children can practise learning the words by carefully rewriting them in their book 3 times (Look, Cover, Write, Check). The children can then use their words to create a mnemonic of their hardest spelling e.g.

Because – **B**ig **e**lephants **c**an **a**lways **u**nderstand **s**mall **e**lephants

Said – **S**illy **a**nt **i**s **d**ancing

Sun	Moon	Stars	Universe
ed/eg/en	ch	oa	g
bed			
fed	chap	load	giant
led	chat	road	giraffe
red	chin	toad	general
	chip	loaf	gentle
beg	chill	cloak	gesture
leg		soak	danger
peg	much	boat	emergency
	rich	coat	imagine
den	such	float	intelligent
hen	lunch	gloat	stranger
pen	crunch		

Reading

Children should aim to read their Home Reading book 10/15 minutes every day. Many of the books have additional reading activities inside the front or back cover. Additionally, children are welcome to read: a book from home, a magazine, a newspaper or even a website such as Newsround.

Healthy Living Week

The children had a fabulous week learning about Healthy Minds, Healthy Bodies and Healthy Foods. For home learning can they write 5 interesting sentences about some of the activities they carried out and what they enjoyed about them. These activities included: meditation, yoga, fitness activities, hand-washing investigations and discussing healthy diets.

Maths

This week in Maths we have been adding 2 digit numbers on a blank number line. For home learning we would like the children to complete these addition sums using a blank number line drawn neatly into their books.

Use the example and the step by step guide to help you.

E.g.

$$33 + 14 =$$

1. Draw a neat number line.
2. Put the start number at the start of the numberline.
3. Add the **tens** using big jumps.
4. Add the **units** using small jumps.
5. Find your answer and write it into the sum.

1. $22 + 13 =$

2. $42 + 21 =$

3. $62 + 35 =$

4. $31 + 27 =$

5. $65 + 14 =$

Challenge

$$136 + 23 =$$

$$454 + 38 =$$

Thank you for your continued support,
