

Year 1 Home Learning

Set: Friday 14th September 2018

Complete By: **Wednesday 19th September 2018**

This week your child's home learning is to engage with their new phonic and spelling book. Please practice the phonic sounds allocated to your child in their red book. We would also like the children to think of words they may hear their sounds in.

Additionally, your child will have a set of spelling words to practice.

Please can your practice spelling these words with your children using the look, cover, write and check strategy. Please can you also practice using these words in a sentence. You may want to just build an oral sentence with your child or you may want to record the sentence in a written format.
