

Year 6 Home Learning

Set: Friday 19th October 2018
Complete By: Wednesday 24th October 2018

-- HWB WEEK --

All home learning this week can be undertaken using Hwb. Children know their usernames and passwords and can submit their home learning via the Hwb / sharing function. Instructions on how to do this can be found below.

Spelling

In *j2e > j2blast > SpellBlaster* children can learn their spelling list using the interactive 'SpellBlaster' game. Their list can be found by following the instructions below:

1. Log in to Hwb.
2. Click on Just2Easy.
3. Click on j2blast.
4. Click on SpellBlaster.
5. Click on 'Go Practise'.
6. On the tab click on 'Shared'. Children will then be able to locate their spelling list (List A, List B or List C).
7. Practise!

Alternatively, below are three spelling lists, the learners have been directed to the appropriate list for them and only need to practise their list. You may wish to practise using the look, say, cover, write, check method. The learners are then asked to put their words into sentences to fully embed the spelling patterns. The learners will be tested on their spellings every **Friday**.

List A	List B	List C
plan	bible	accidentally
plot	bundle	actually
pluck	candle	annually
block	dawdle	automatically
black	handle	brutally
bliss	needle	critically
slack	noodle	finally
slim	poodle	equally
slot	chuckle	medically
slick	tickle	magically

Reading

This week we would like the children to research all about Captain Cook. This will support our learning in class of Captain Cook discovering Australia. Children can use *Hwb / Encyclopaedia Britannica* to undertake this reading activity. This can be done by:

1. Logging in to Hwb.
2. Click on Hwb Tools.
3. Click on Encyclopaedia Britannica.
4. Type in what you would like to learn about.
5. Discover!

Alternatively, daily reading for 10 to 15 minutes. This could take the form of a reading book from school, a book from home, a magazine, a newspaper or even a website such as News round.

Maths

In *j2e > j2blast > Time Table Blast* children can learn their times tables using the interactive 'ttBlast' game. They can access Times Table blast by following the instructions below:

1. Log in to Hwb.
2. Click on Just2Easy.
3. Click on j2blast.
4. Click on ttBlast.
5. Click on 'Go Practise'.
6. Once children have practised they can then have a go of 'Going Live' – where they will test themselves against fellow pupils from across the World!

Alternatively, children can practise their times tables using the following:

Collaborative Story Writing

This week for home learning we are collaborating online to create a new fictional story! The children only need to write the next three sentences of the story. Another child will then access the file and add their three sentences. Children will need to ensure that they type using a different colour than the previous user to differentiate between the learning. Please remind the children not to delete anything written by anyone else and please remember to develop the story line (detail detail detail).

We ask our learners to consider exciting adjectives, use of thesaurus, one word comma sentences, anaphora, superlatives, ellipses, commas to extend, paragraphing, suspense, adverbs, short sentences for impact, alliteration and power of three among other things! Good luck year six, We look forward to reading your completed story!

The file has been shared with the children via 'Hwb' and 'j2e'.

Alternatively children may decide to write a short story that starts with:

Falling. I was free falling for what seemed an eternity.

If you have queries, please do not hesitate to contact us. Thank you for your continued support and we look forward to seeing you for parental consultations next week. Best wishes.

Mr Coles and Mrs Bebb.
