

Year 2 Home Learning

Set: Friday 5th October 2018

Complete By: **Wednesday 10th October 2018**

After our visit to Welsh Water and finding out how important water is, can you keep a water diary? Just for one day can you record all the different ways you use water. Also can you estimate how many bottles (litres) you used.

| Use (draw a picture or write description) | How many bottles? | Use (draw a picture or write description) | How many bottles? |
|---|-------------------|---|-------------------|
| | | | |
| | | | |
| | | | |

What have you found out from keeping this diary? Can you save any water?
