

Year 2 Home Learning

Set: Friday 14th September 2018

Complete By: Wednesday 18th September 2018

Can you practise finding one more and one less than a given number. Remember one more gets one jump bigger and one less gets one jump smaller. Write your numberline to help.

0										10
---	--	--	--	--	--	--	--	--	--	----

One more than 5 is _____

One less than 7 is _____

One less than 8 is _____

One more than 9 is _____

10										20
----	--	--	--	--	--	--	--	--	--	----

One more than 12 is _____

One less than 16 is _____

One less than 14 is _____

One more than 17 is _____

Try some taking away sums. Don't forget to point to the starting number and jump back on the numberline. If you are confident try putting the big number in your head and the small number on your fingers and count back folding down a finger each time you count back a number.

$$8 - 3 =$$

$$7 - 4 =$$

$$9 - 3 =$$

$$10 - 2 =$$
